The homepage

At the top of the home page is the search bar for the course search. Find a course for more details.

In the middle you will find various course areas displayed as photo tiles, sorted by faculty. In the `faculties`, you will find the course subsections Faculty internal/preparation, Courses, Tutorials, etc. In the course sub-section `Courses`, each lecturer has their own course area.

In the block bar on the right you will find important links such as Current Notes, Moodle FAQs, Moodle Archive and Calendar

The following functions can also be called up on the start page:

- Request a course
- Moodle-Guides
- Support

Below the photo tiles with the individual faculties you will find a text field with the title *Moodle-Lernumgebung*.
Here you will find the links that you can use to apply for a course via quick access (Kursantragsformular), instructions and get to the Moodle support contact form.

At the bottom right you will find a form for contacting the Moodle support team. To do this, click on the `question mark` symbol and in the window that opens `Moodle-Support`. If you click on `Help`, opens a page with links to the ZIL-Wiki.

> The question mark symbol can be found on all Moodle pages.
